Hi Tiffany,

Hope this email finds you well.

I'm just following up, regarding "vetting" locations for the Mobile Hygiene Unit.

Please let me know if you have any questions, or if you need anything from us.

Thank you so much! :)

Hello,

I am sending this email in regards to the Mobile Hygiene Units.

There will be a deployment of about 13 trailers starting July 31st.

We will need new "vetting" locations from you (as many as you want),

however, please remember the trailer needs to be near a fire hydrant no more than 50 feet away. An alternative that can also work would be a water source via a hose bib connection (see attached photos as reference).

Ideally, we will need these locations as soon as they become available.

If you have any questions, you can contact me or the MHU specialist - Jasmin Mouflard-Kozowy @ 213-713-5228 (jasminhygiene@gmail.com)

Thank you so much!
